Motion to Reinstate Summons

and Complaint Court Case

Lack of income, but need it

addressed do to theft and larceny

(for companies to submit my documents Requested

due to criminal cases and reports and theft in my name

Reason of Motion is to show GOOD CAUSE, for the deficiency

purpose of Court date I paid for, is to have all the

Companies and people and staff members, to present all

of my documents and video footages concerning my nameand my signature, in Andrenique Green and Andrenique

Howard, to submit to court, so I have a copy of all they

have, which is my Right to have, and due to theft and larceny, and to be able to Dispute the situation in a timely

manner. But have distracted me, and wasted time, to not

give my documents and to waste time of the Court date, to

the expiration date, to try to get away with revealing the truth

and to get away with Violating my rights, discrimination,

unequal rights, incorrect information given to me, by staff

of the company, to distract time, and to prove off of all cases

I wasn't treated equal. Then to show this Case Under **LR 41.3**

for the reason that service of the summons and complaint was

not made within 90 days, is favoritism, unequal rights, and not equal

and fair opportunity, to prove the life, liberty and protect safety

was slander, Defamation of Character and my truth and innocence

due to my Rights in all manner of my life... because of companies/staff

and incorrect information given...
